Summary: Six months after the massacre, Carrie is in the sewers where IT appeared. Now Carrie must fight IT to escape the Sewers.

Carrie vs Pennywise

Six months after the Black Prom Massacre, Carrie White is still alive and left Chamberlain but however, she discovers that she's somewhere in the sewers in Derry. She must find the way out of the sewers until she sees a clown with 2 red lines streaming down Its eyes and into Its mouth, and two red spikes above each of Its eyes. Its nose wasn't fake, but simply painted red, and Its hair was ginger. It also looked quite younger. Its forehead was oddly oversized, and Its teeth where buckteeth, It often had a sneer and often had golden, catlike eyes.

"Hiya Carrie." said IT, Carrie is confused. "Do you want a balloon?"

"Who are you?" asked Carrie.

"I'm Pennywise the Dancing Clown." said IT. "And you, You are Carrie White. So now we know each other, corect?"

"What are you doing in the sewers?" asked Carrie.

"A storm blew me away. Blew the whole circus away. Can you smell the circus, Carrie?" asked IT. "There are peanuts, cotton candy Hot dogs and Popcorn. And Carrie, They all float down here."

"What do you mean They?" asked Carrie.

"It's because... You'll float too!" said IT before attacking her.

Carrie uses her telekinesis to stop IT from attacking. She kicks its in the head before IT can shapeshift into her mother with her left arm into a knife. She grabs a baseball bat to hit IT in the head. IT able to shapeshift into Tommy Ross.

"Carrie, it's me, Tommy." said IT in the disguise as Tommy Ross. "You'll float, too. You'll float, too. You'll float, too. YOU'LL FLOAT, TOO!"

Carrie attacks IT but IT cut her arm even though she was bleeding. Carrie use her telekinesis to stop IT but she can't. IT bites her arm.

Carrie feels her wound but manage to use her telekinesis to fight back. IT shapeshift into Chris Hargensen.

"Carrie White eats shit!" said IT in disguise as Chris.

Carrie attacks IT with a baseball bat before IT falls into its resting place.

"Fear..." said IT.

IT falls into its resting place. Carrie finds a way out of the sewers and runs out before she passed out. A Guy run towards her.

"Are you okay?" asked a guy.

"Help me..." said Carrie.

In the car, A Guy drives Carrie out of Maine to Florida.

"Don't you worry Girl. I'm taking you to the hospital in Miami, and they'll give you a good check up in no time." Said a Guy.

Carrie's sleeping in the back of the car very peaceful and smiles. She opens her eyes and sees her.
